

Faces365 Spa Franchise

Beauty Every Day

- Own a trendy day spa, offering consumers luxury skin care services and name brand products, with value pricing.
- Benefit from the recurrent revenue and customer loyalty of the Faces365 membership program.
- Learn from a proven business model developed by successful entrepreneurs with extensive franchise experience.
- Be among the first to choose a prime location in your area.

Faces365 is today's great opportunity. Wellness and beauty remain the hot trends of this century and the skin care industry is ripe for a national brand leader.

A Faces365 spa offers professional skin care services, facials and full service waxing, with an extensive retail product selection. As a franchise owner, you will enjoy the financial reward of monthly membership dues in addition to revenue from services and product sales.

The right business. The right time.

Consumer research provides the following insights*:

- Over \$2 trillion is spent annually in the Wellness Industry.
- Beauty maintenance and quality of life are the top reasons for spa visits.
- Facials, body treatments, and massage are the most prevalent spa services.
- Facial skincare is one of the most recession resistant spa services.
- Non surgical facial procedures grew by 16% from 2009 to 2011.
- Consumers seek affordable, results-oriented spa services.
